STATEMENT OF REASONS

TAMESIDE METROPOLITAN BOROUGH (ALT HILL LANE, ASHTON UNDER
LYNE)(PROHIBITION OF DRIVING) (EXPERIMENTAL) ORDER 2022

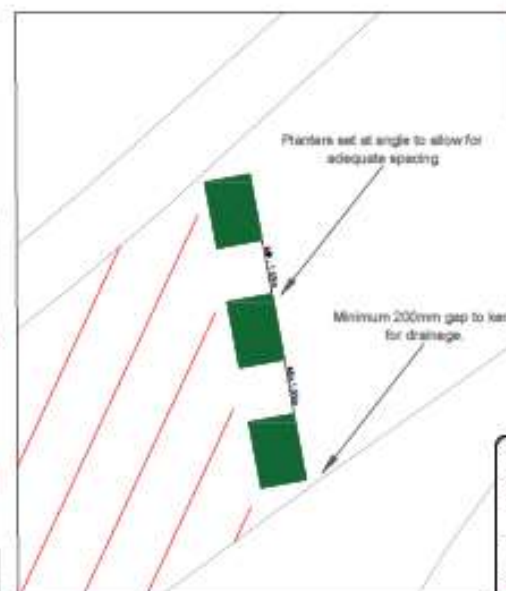

TAMESIDE METROPOLITAN BOROUGH (ALT HILL ROAD, ASHTON UNDER
LYNE)(PROHIBITION OF DRIVING) (EXPERIMENTAL) ORDER 2022

The Experimental Traffic Regulation Orders will prevent through traffic along Alt Hill Lane and Alt Hill Road, Ashton-under-Lyne. This will potentially reduce the volume of traffic utilising these routes / roads.

The impetus of these Orders is to enhance the amenity and safety of the Alt Hill area for the benefit of residents, walkers, horse riders and cyclists. Restricting access for vehicular traffic will also reduce the problem of fly tipping that is prevalent in the Alt Hill area.

As the Orders are to be introduced on an experimental basis it will enable the Council to assess any potential impact on all users of these roads over the first 6 months of operation, which is also the length of the objection period.

The Experimental Traffic Regulation Order will be implemented for a maximum period of 18 months to enable a judgement to be made on any possible long term impact on access for all road users before consideration is given to make the Orders permanent or not.
