NEWS IN BRIEF

Giving young people a VOICE

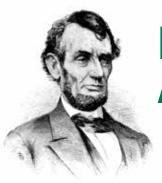

Young people will get involved in future plans and decisions for Tameside with a new youth council.

Tameside Council is teaming up with Tameside College, Ashton 6th Form College, New Charter Housing and Active Tameside to develop a programme designed by young people for young people.

With the success of similar schemes such as the budget consultation workshops and the student ambassador scheme, the time is right to give Tameside's young people a real and powerful voice in how their borough is run.

Watch this space for more information on the Youth Council and how you can get involved.

Letter to **America**

Tameside Council has been asked to send a letter to America as part of an exhibition marking the 150th anniversary of the death of Abraham Lincoln.

The president was assassinated five days after the end of the American Civil War on April 14, 1865. Ashton-under-Lyne was one of many communities to send condolences to the American government and the Lincoln family. 150 years later, the Abraham Lincoln Presidential Library and Museum in Springfield, Illinois sent a request for another letter explaining how Lincoln's legacy has affected Tameside.

The American Civil War had significant consequences for the people of Tameside, as the disruption of cotton exports from across the Atlantic led to 4 years of economic depression known as the "Lancashire Cotton Famine". Despite this, support for the Union and emancipation remained strong in the area.

Cllr Quinn said: "I'm honoured that the people of Tameside have been invited to contribute to the commemoration of such a distinguished statesman. Abraham Lincoln is considered to be the greatest American president".

The original 1865 letter from Ashton Town Council, its modern counterpart and hundreds of similar documents from across the world can be found online at www.citizenlincoln.org. The Local Studies and Archives Centre are also holding their own exhibition on Abraham Lincoln and the Lancashire Cotton Famine.

Family Easter fun

THERE should be lots of happy bunnies this Easter thanks to a packed programme of events and activities for children and families to enjoy.

From egg hunts, crafts, dance and build-a-bike workshops to Go Wild events in our country parks, there's something to suit all ages and interests.

There will also be extra free holiday swimming activities for under-16s as well as a wide range of sport activities. For a full listing of what's on over the school Easter holidays see www.tameside.gov.uk/easteractivities

Tameside Council is committed to providing lots of things for families to do

Welcome to the spring edition of the Tameside Citizen.

OVER the last few years we have had to make some difficult decisions in the face of significant and disproportionate reductions in our funding from central government.

Only one third of the money the Council spends on services comes from Council Tax paid by local people. The rest comes from the Government. Over the last 5 years the amount the Government provides has been halved in real terms. When the greater proportion of our funding is reduced by half, and we are required by law to set a balanced budget so we cannot spend more than we have, we are faced with a real challenge.

£104 million has been reduced from our spending since 2010. And another £38 million will be lost over the next two years.

As the Leader of the Council I will not shy away from the difficult choices. Similarly we won't walk away from the services that are important to local people.

With this in mind we have worked hard to absorb these cuts without reducing frontline services but we have now reached a point where this has become unsustainable.

At the meeting of Council on 24 February 2015 we made the tough decision to raise Council Tax bills by 1.9%. No one wants to increase bills, least of all me. However this small increase which averages just 37p per week per household will allow us to protect vital frontline services such as children's social care and street cleaning. Even after this increase Council Tax levels in Tameside remain low. In fact they are the 4th lowest in Greater Manchester.

The other option was to take the Government's freeze grant. However this was neither a sensible, nor a sustainable, choice for the long term. The freeze grant is a short term sticking plaster which generates less income and is for one

year only. This would require us to make further reductions in services and leave them increasingly vulnerable in future years.

The Council didn't take this decision lightly and without due consideration. This year we ran our largest ever budget consultation exercise with residents. We are the only Council in Greater Manchester to have spent so much time talking to our residents. When asked to balance the budget over 70% choose to increase Council Tax rather than see further cuts to vital services. The consultation also gave us a clear view of where local people want us to focus our service plans for the future. For example, over 70% of respondents supported the bin swap project which helps save tax-payers money and protect the environment for future generations.

Despite these challenges we remain a can do Council. At the end of last year, after listening to local people, I outlined 15 Council pledges for 2015. Throughout this issue details of those pledges can be found. Setting out how, despite significant cuts, the Council remains determined to improve Tameside.

Over the next year we will continue our engagement with local people. These conversations will help us work together to protect services and grow Tameside.

I hope you enjoy reading this edition of the Citizen.

YOUR VOTE MATTERS

MAKE SURE YOU'RE REGISTERED TO VOTE

With only two months to go until the General Election and local elections on 7 May, Tameside residents are being urged to make sure they are registered to vote. There are two key dates residents should be aware of:

- ✓ To vote in the next elections you must be registered by 20 April 2015.
- ✓ To receive a postal vote, you must apply for one by 5pm on 21 April 2015.

Check you are registered to vote

In January, the Council wrote to all households in the borough concerning electoral registration. Residents are urged to check that this information is correct and check that they are registered to vote. If you are unsure if you are registered to vote, please check with the Elections Office on **0161 342 3036** or email **elections@tameside.gov.uk**.

What if I need to register?

- It's a very simple process and only takes 5 minutes. Visit www.gov.uk/register-to-vote
- Fill in your name, address, date of birth and other details.
- You'll also need your national insurance number, which can be found on your national insurance card, on official paperwork such as payslips and letters about benefits or Tax Credits.
- ✓ Look out for a confirmation to say you've been successful.

If you need to register, get in touch by **20 April 2015** to be eligible to vote in this election.

Don't miss out

Anyone can have a postal vote

Anyone who is registered to vote can apply for a postal vote. To apply for a postal vote, you can either:

Contact our customer services team on 0161 342 3036 and ask for a postal vote application form to be sent out to your home address

Or

Visit our website: www.tameside.gov.uk/voting/postal and complete the "Vote by Post Application Form".

Important points to remember about voting by post:

- Once you have been issued a postal vote you can't vote at a polling station
- ✓ You can drop your postal vote off at a polling station as long as the polling station is in the same constituency.

Greening Tameside

THE Bin Swap scheme is saving money and helping us to deliver our commitment to make Tameside a Greener Place.

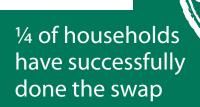

The swap which has been rolled out in Mossley, Stalybridge North and South, Hyde Newton and Ashton Waterloo is diverting up to 26 tonnes of rubbish from landfill daily, reducing the amount of public money spent on costly landfill charges.

Rolling out Bin Swap will mean we will have to spend £3 million less per year on sending waste to landfill.

A big thank you to the 25,000 households who are making the Bin Swap work in Tameside.

Residents receive letters when their area is to join the scheme. Look out for your letter as we expand the scheme across the Borough.

Bin swap involves swapping what goes in the green and black bins, so landfill waste goes in the green bin while glass, cans and plastic bottles go in the larger black bin, which has more capacity for recycling.

As we roll out Bin Swap we are also rolling out, cleaner, greener, more efficient LED street lighting.

We will save £400,000 per year and will provide Neighbourhoods with brighter, more reliable lighting.

"I think the TLC Card is a very good idea. It will bring people into Stalybridge to see what the town has to offer."

Michelle Manson, Fairy Sparkle Cleaning, Melbourne Street, Stalybridge

#ProudTameside

TAMESIDE Council is investing £1 million to spruce up our town centres.

Over the next 6 months teams will visit each of our town centres to carry out improvement works. Painting, repairing and replacing street furniture such as benches, bins and bollards. Cutting back, re-planting and smartening up green spaces. Removing old out of date signage, and refreshing street and pavement markings. Repairing loose paving stones and giving walkways a deep clean. The Big Tidy Up is not only good for shopkeepers and their customers, it also helps to support local small businesses. Look out for the Big Tidy Up team who will be coming to your town soon.

Work to support the Big Tidy Up will, wherever possible go to local businesses.

Giving shoppers and local shops a helping hand

ALMOST 1,000 people have signed up for a Tameside Loyalty (TLC) card, eager to take advantage of the special deals and discounts being offered by more than 175 businesses across the borough.

TLC launched at the end of last year and the aim of the scheme is to get more people shopping in our town centres, keeping them vibrant and busy. In short, it offers a helping hand to residents and retailers alike. Getting involved couldn't be easier.

Just visit www.tamesideloyaltycard.co.uk and sign up as a business or a shopper. If you're a resident you'll get a membership card to use at participating outlets. If you're a retailer, you'll receive a window sticker and a listing on the website.

Town Centres CHEAPER Darking

TAMESIDE has the cheapest Council run parking in Greater Manchester, attracting more shoppers and keeping the town centres busy.

For more information on car parks and zones see www.tameside.gov.uk/carparks

"Cheaper parking has made a huge difference – you can park for three hours for just £1 which has really helped bring shoppers in."

Vision Tameside is about:

- Investing in the future of the borough's young people.
 New state-of-the-art college facilities will ensure our young people have the best facilities and opportunities on their doorstep.
- Bringing together public sector services into one central point, making it easier for residents to access services.
- Reducing the council's running costs with a smaller, more
 efficient building and enabling land to be released for the
 college, retail and other public services.
- Providing a huge boost to the Tameside economy through the creation of jobs.
- Investing in our other town centres and securing the future of all our prestigious buildings.
- Enhancing the shopping and visitor experience through the redevelopment of the market ground in Ashton.
- Improving transport links across the Borough with a new transport interchange.

Made in TAMESIDE

Tameside is Proud of its reputation for being a place which makes things. Below are just a few of the things which have been 'Made in Tameside'.

Proud

PG Tips were Made in Tameside. Brooke Bond tea founder Arthur Brooke opened his first shop in Ashton in 1869. Ropes used by Sir Edmund Hillary to conquer Everest were Made in Tameside by Kenyon's ropes in 1953.

Margarine was Made in Tameside. Its manufacture began in an old hat factory in Hyde 1880.

Solid foundation for housing build bonanza

TAMESIDE, like all parts of the country, desperately needs new homes and it needs them now. With a fast growing population demand for houses is increasing all the time. In Tameside we estimate we'll need at least 300 new homes every year to keep pace with demand.

Tameside Council has responded and teamed up with New Charter Homes to develop several sites across the borough. These will provide affordable homes while at the same time creating jobs and apprenticeships and generating funds for the local authority to use to spend on essential services. One plot, the former Hawthorn School site off Corporation Road, Audenshaw, was sold to New Charter

for £1 million. Other pieces of land have been transferred on an equity share basis. This means that although they were handed over for free in the first instance, whenever a property is sold the council recoups the value of that plot. In the meantime, Tameside receives Council Tax and New Homes Bonus – a grant the Government pays to authorities to encourage them to increase housing.

The Council will continue to identify plots of land that can be used to develop affordable homes. Homes that will be reserved for Tameside residents. It's the right thing to do and it's reassuring to know you agree with us. Over 80% of people who responded to the budget consultation agreed that we need to release more land for homes and business.

Underway: Building on the former Hawthorn School site.

Supporting older people < to be safe and independent

TAMESIDE Council is committed to supporting older people to live independently and feel safe in their home.

Casserole Club sees people share extra portions of home-cooked food with others in their area who might not always be able to cook for themselves. Like a local, community-led takeaway, members serve up meals to their neighbours, getting more people cooking fresh food while strengthening local neighbourhood relationships with every bite. Casserole is supported by a website that allows you to sign up as a person who likes to cook and is happy to make an extra plate of home

cooked food (Cooks) and to search for neighbours who could really benefit from a home cooked hot meal (Diners). To find out more about Casserole Club visit www.casseroleclub.com or if you're not online ring 0161 339 2345.

The Grafton Centre in Hyde provides a range of services for people aged 55 and over. The centre is becoming a Development Trust so it will be run by local people and its members. One of the recent developments is the creation of a new volunteer catering team. Members have come together as a team to continue to provide a hot meal and bistro function for the Grafton members. The centre also works closely

with Tameside College of Technology Catering students, who provide a fine dining experience for members each Friday. If you are interested in coming along to the centre for lunch. to participate in the wide range of activities, or if you want to volunteer to help or join the board, please ring 0161 368 4110.

Apprentices... you're hired!

TAMESIDE Council has committed to working with small businesses which want to give young people a helping hand by providing grants to take on apprentices and buy tools or equipment.

Apprenticeships, which can take between one and four years to complete, combine practical training in a job with study and as a successful apprentice, the opportunity to work alongside experienced staff, gain job-specific skills, earn a wage and get holiday pay as well as study towards a related qualification.

An apprenticeship has an equivalent education level and can be:

Intermediate - equivalent to 5 GCSE passes **Advanced** - equivalent to 2 A level passes

Higher - can lead to NVQ Level 4 and above, or a foundation degree

You can apply for an apprenticeship while you're still at school. To start one, you'll need to be: 16 or over; living in England and not in full-time education.

Two young people from Tameside who found apprenticeships a helpful aid to full time employment are Nathan Burke and Tom Arrundale. Nathan as a mechanic, Tom as a builder's merchants.

Choosing an apprenticeship as a route into employment is increasingly popular. Apprenticeships provided a structured and tailored programme of on the job learning that is designed with the help of employers in the relevant industries. Apprentices earn while they learn and the experience and skills gained through working alongside experienced staff are sought after by employers, giving them an advantage when looking for work at the end of the apprenticeship. As well as working in a company gaining job-specific skills apprenticeships also go to college to work towards nationally recognised qualifications.

Apprenticeships can be demanding but they are very rewarding as they give people the chance to earn a steady wage while learning new skills that employers want, giving them career choices and future opportunities.

To find out more about apprenticeships go to www.gov.uk/further-education-skills/apprenticeships

Support for our heroes

COUNCILLOR Kieran Quinn, the Chair of the Greater Manchester Pension Fund (insert) is proposing to name the new Droylsden Pension Fund Headquarters 'Guardsman Tony Downes House' to reflect the heroic sacrifice made by local Droylsden lad Tony Downes. Cllr Quinn said by 'honouring one of our Armed Forces Heroes we honour them all.'

Local Droylsden lad Guardsman Tony Downes (pictured) from the 1st Battalion Grenadier Guards, was killed on Saturday 9 June 2007 in Afghanistan, when his vehicle was hit by an explosion when on a patrol with the Afghan National Army, taking part in an operation to help widen and deepen irrigation ditches for locals in the area. He was held in the highest regard by all who met him and gave his life in selfless service to his country.

Tameside Council veteran pledge

Tameside Council has pledged to provide all ex forces employees six months work, skills training and transition support. Existing support includes concessionary leisure passes, and increased priority for social housing. EMPLOYMENT and skills are the underpinning elements of success to any economically prosperous place. We recognise that here in Tameside. New grant schemes have been set up to ensure we are supporting local people - the businesses and skills of people 'Made in Tameside', so that they remain and continue to invest in Tameside.

Tameside businesses will be asked to sign up the 'Tameside Jobs Pledge'. If businesses can demonstrate that they meet at least three of the 11 criteria, including employment support to local people, they will be eligible to access a business enterprise grant of up to £1,500 plus other support benefits such as a network of recruitment support,

enhanced local reputation and profile, improving workforce skills, access to invitation only events with local contractors, and an annual dinner with The Leader and Chief Executive of the Council.

We recognise that Tameside has a vitally important trade skills base and to further support our Made in Tameside commitment, a specific trade grant scheme is also being launched, with grants of up to £1,000 which are aimed at trade businesses either taking on an apprentice, or a young person starting their own trade business in Tameside.

More information will be made available on how to sign up / register your interest on www.tameside.gov.uk and Live Work Invest website www.liveworkinvest.com.
