The *Fairytales & Folklore* of Droylsden

Once upon a time there was a town, which was full of magic, and brimming with stories just waiting to be discovered. . .

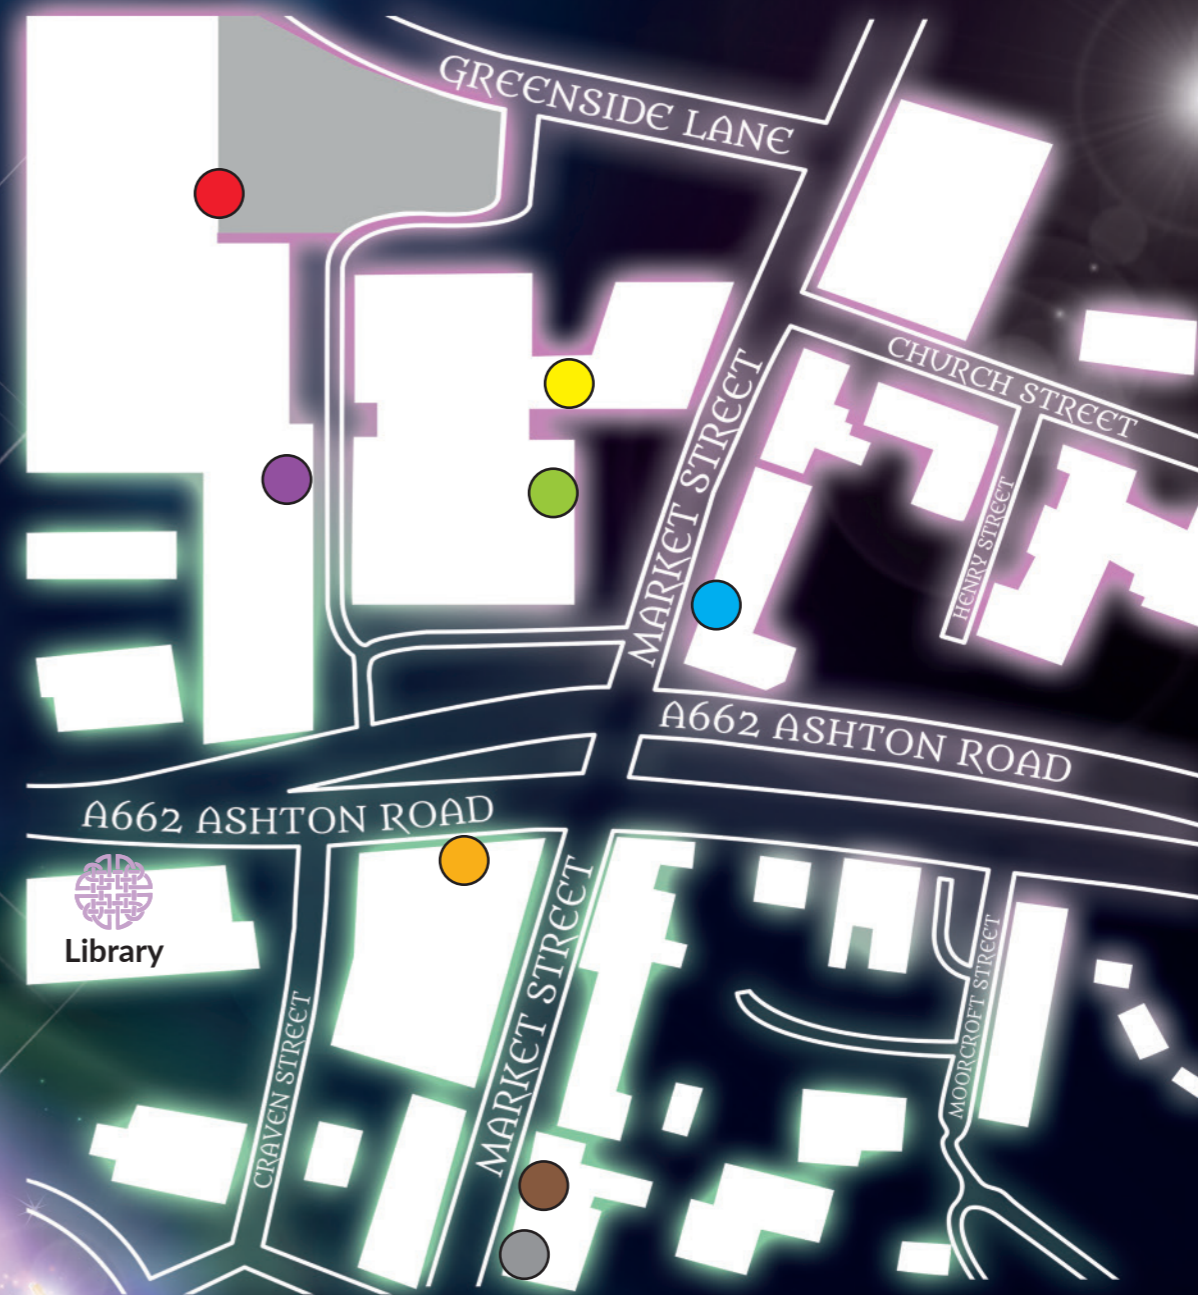

Welcome to Droylsden and the 'Trail of Tales' which will take you on a journey through the town in search of fabulous fairy tales written by pupils from three local primary schools. These special stories are chock-a-block with brave heroes and heroines, wicked villains, strange sorcery, and sudden swordfights! Each tale has been paired with a local business and will be on display alongside a piece of beautiful artwork designed by 'No Eyed Theatre' for the duration of the February half-term.

Now that you've got your very own copy of The Fairy Tales and Folklore of Droylsden it's time to fill it full of stories! Use the handy map provided to discover where the tales are hiding and check out Droylsden Library's story 'The Fisherman King' so you know what to look out for. There are 8 more stories

to find but can you spot them all and will you be able to find out the name of each story?

We hope you enjoy reading and celebrating the work of these fine young storytymakers and return home to live 'happily-ever-after' a jolly good day of fun.
