Dear,

National Non-Domestic Rates Business Grants Fund for Retail, Hospitality and Leisure

In response to the current COVID-19 outbreak, the Chancellor has announced a number of measures to support businesses, one of which is the award of business grants of £25,000 to eligible businesses with a rateable value between £15,000 and £51,000.

The Councils business rates records indicate that your business may be eligible to receive the Retail, Hospitality and Leisure Grant (RHLG). To enable the Council to make payment please complete and return the enclosed form by email to businessrates@tameside.gov.uk as soon as possible. Please mark the email subject 'Business Rate Grant'.

This is a grant which does **not** have to be repaid and is intended to help businesses meet on-going costs.

The Council aim to make payments in April to all businesses that have returned the completed form.

I trust the above clarifies the current position, if you require any further information regarding Retail, Hospitality and Leisure Grant (RHLG) please visit:

The Council must protect all public funds and false claims for this business rates grant may face prosecution and repayment.

Yours sincerely,

I. Cookson
