Each licence is linked to an individual member of staff so each member of staff undertaking e learning will need their own licence.</p> <p>Each licence holder will need access to an email address - we advise that staff use their home email addresses to access courses - this will ensure that if a member of staff moves employment that they won't lose their training records, and the new employer won't have to buy a licence for someone who already has had one. The licence should stay with an individual even if they move employer (as with other certificates).</p>
