Eligible Applicants:	All settings - not for Tameside MBC staff
	<p>There are tens of courses available when you purchase a licence for £10.00 (plus Eventbrite booking fee) - each licence holder will have access to the courses until the end of March 2022. Each licence is linked to an individual member of staff so each member of staff undertaking e learning will need their own licence.</p> <p>Each licence holder will need access to an email address - we advise that staff use their home email addresses to access courses - this will ensure that if a member of staff moves employment that they won't lose their training records, and the new employer won't have to buy a licence for someone who already has had one. The licence should stay with an individual even if they move employer (as with other certificates).</p>
