

Who am I?

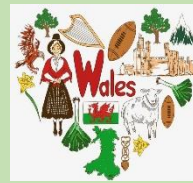

My name is Emily Plevin, and I am an 'assistant educational psychologist'.

I work with children and young people to find out what they are good at and things they find difficult. I use this information to help make things a bit easier so people can be successful and the best version of themselves.

What I like?

Some things that I like...

- ✚ Going on holiday in Wales
- ✚ Watching things on Netflix
- ✚ Animals (particularly dogs and horses)

Students who have worked with me in the past have said...

- ✚ I am kind.
- ✚ I am fun.
- ✚ I am a good listener.

What might we do if I come and see you?

I will introduce myself and ask you some questions to help me get to know you, this could be:

- ✚ What is your favourite colour?
- ✚ What do you enjoy doing?
- ✚ What is important to you?

Whilst we have a conversation, we are able to do some activities or games you enjoy. I might also ask you to fill in a few questions or ask you to complete a task.

If you do not want to meet me, that is okay. We will only meet or do as much as you would like too. If you have any questions, you can ask your grown-ups in school or write them down and I will try my best to answer them when we meet. I look forward to meeting you! My email is: emily.plevin@tamside.gov.uk
