## My Job

I work with young people like you to find out about what you like and dislike, as well as things you are good at and things you find tricky.

I use this information to try and make changes you would like.

I am a Trainee Educational Psychologist but you can just call me Lesley.

When we meet, I will introduce myself and will explain what we will do during our session.

I might be wearing a mask when I meet you, I hope that is okay.

## What we might do together:

Chat about what is important to you

Play some games

Draw together

Answer some questions

Complete some tasks together

## What happens if you don't want to work with me?

If you don't want to meet me or do any work you don't have to. We will only meet and do as much as you want to.

After we have worked together, I will ask you what you thought of working with me.

*Any Questions?*

If you have any questions you can write them down or ask someone to write them down for you and I will try my best to answer them when we meet.

**SEE YOU SOON!**
