A FREE TAMESIDE BASED SUPPORT SERVICE

Beacon Counselling Trust and GamCare are working together to provide a new service to support those individuals affected by problem gambling or those affected in the wider family unit. This service is available to residents of **Tameside and Glossop**.

We have developed a clear strategy to engage with this community wide problem, which includes FREE One to One Counselling and where appropriate, Couples Counselling and/or Group work to support not only the problem gambler, but the whole of the impacted family unit.
