

## Functional Skills Mathematics

<b>Where will this course take place?</b>	Tameside ACE Stamford Chambers, 68 Old Street Ashton-under-Lyne, OL6 7RX
<b>How long is this course and when will it start?</b>	Courses run at various times throughout the year. There is one class each week lasting two hours. The course runs for 30 weeks (may be less for some learners).
<b>Who is this course for?</b>	This course is for anyone aged 19 or over wishing to gain a recognised qualification in maths or for those wanting to brush up on their maths skills and improve their confidence.
<b>Do I need any experience or qualifications to join?</b>	There are no formal entry requirements but you will be expected to complete an assessment before the course starts.
<b>What will I learn?</b>	Depending on the level of course you are in, you may learn how to: <ul style="list-style-type: none"> <li>• Brush up on your calculation skills including addition, subtraction and multiplication. Learn about fractions, decimals and percentages.</li> <li>• Calculate with money and improve your understanding of the metric units of measurement. Recognise and name common shapes.</li> <li>• Make sense of different tables, charts and graphs. Understand and calculate averages.</li> </ul>
<b>How will I learn?</b>	Taught classes take place in our learning centre where social distancing and Covid-19 safety procedures are in place.
<b>What will I need to bring?</b>	Please bring paper and a pen to make notes (a calculator would be useful). All other learning materials are provided.
<b>How will I be assessed?</b>	Assessment will take place through the completion of both classroom-based and online tasks and activities. There will be an exam at the end of the course awarded by Edexcel.
<b>What can I do next?</b>	You will have the opportunity to discuss next steps with your tutor. Possible progression could be the next level of Functional Skills at ACE, or GCSE in mathematics elsewhere.
<b>How much is this course?</b>	<b>Free</b>
<b>How do I find out more?</b>	Please call: <b>0161 342 4063</b>
