RAISING AWARENESS

WORLD ELDER ABUSE AWARENESS DAY

What we did last year.

WEAAD is the one day in the year which focuses attention on the need for everyone to take responsibility for preventing elder abuse. The day seeks to prevent abuse by giving targeted information. As we look forward to promoting WEAAD for 2022 here is a reminder of what we did last year despite the difficulties of the COVID 19 pandemic.

TASPB were able to promote awareness by placing new WEAAD posters in Care homes, the Hospital and Vaccination centres with contact information on.

We were able to raise awareness throughout the week by shining purple lights at Dukinfield Town Hall.

Our Care Homes did purple themed events

RAISING AWARENESS

We completed the Purple Quiz Virtually

WHAT ARE WE DOING TO SUPPORT UKRAINIAN REFUGEES?

The Ukrainian flag is flying at Dukinfield Town Hall as statement of solidarity and unity with the people of Ukraine.

We want to provide support and advice for those arriving in Tameside from Ukraine.

We also aim to provide you with information on how you can support Ukraine through this tragedy. There is also information on Government support and schemes providing refuge in the UK for Ukrainians. How can I help? (tameside.gov.uk)

An Interfaith Peace Vigil for an end to the war in Ukraine was held at St Peter's Church in Ashton-Under-Lyne on March 19. The vigil was led by Reverend A. Daniel Ramble. This was an opportunity for our communities to come together and show solidarity and support for Ukraine.

TAMESIDE TAKES TO TIK TOK

TAMESIDE Council now has a Tik Tok. The account has been created to demonstrate different activities such as our markets, walking routes, galleries and other visitor attractions by showing snippets of activities and community events such as Street Fest. Using Tiktok allows to reach a wider audience and attract people to visit Tameside by giving them a preview of what the borough has to offer. It also gives us a chance to engage younger harder-to-reach audiences. Communications can support services and enable them to create content through Tiktok.

Contact communications@tameside.gov.uk with any further questions or requests to create and add content. Follow the account here
