

Audit Certificate in respect of Tameside Council for the 2019/20 financial year

Certificate

In our auditor's report dated 24 February 2021, we explained that the audit could not be formally concluded until we had completed our work on the Council's Whole of Government Accounts return.

This work has now been completed. No matters have come to our attention since 24 February 2021 that would have a material impact on the financial statements on which we gave our opinion, or on our conclusion on the Council's arrangements for securing economy, efficiency and effectiveness in the use of resources.

We certify that we have completed the audit of Tameside Council for 2019/20 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
