

January 2020

Our regular updates enable us to keep you informed of upcoming activity including PEN events and engagement or consultation work across Tameside and Glossop which may be of interest to you.

We want to invite as many people as possible from across Tameside & Glossop to join the PEN family. If you know others who would be interested in hearing about upcoming activity including PEN events and engagement or consultation work across Tameside and Glossop please encourage them to register [here](#).

Things to be aware of this month include:

- The next Partnership Engagement Network Conference will take place on **Friday 7 February 2020** from 9.30am till 2pm (registration from 9.00am) at Hyde Town Hall, Corporation Street, Hyde SK14 1AL. The agenda for the day consists of presentations on the Estates Strategy for the Council and CCG, the Future of Personalised Care in Tameside & Glossop and North West Ambulance Service Public & Patient Panel. The workshops for the day include:
 - The Future of Personalised Care in Tameside and Glossop
 - Bee Networks
 - Tameside Sexual Health Services

You can sign up to attend the event now using the [link](#).

- [Greater Manchester Walking Grants](#) – Between November 2019 and June 2020 Greater Manchester Centre for Voluntary Organisation (GMCVO) will be giving out a total of £225k in grants to VCSE organisations to get Greater Manchester walking. They will be available for voluntary and community groups and social enterprises for people who are usually less active to get out and start walking or increase the amount they walk. If you want to find out more and apply for a grant you can fill out an online application form using the link above.
- **'Historymakers' Greater Manchester Smokefree Fund:** financial support for VCSE organisations to create smoke-free spaces and/or hold smoke-free events is now available. Please [click here](#) to see the poster for more details on how to apply, what organisations can apply for and who is eligible.
- **Scanner Appeal:** Tameside & Glossop Integrated Care Foundation Trust have launched an ambitious appeal to raise £1 million to buy a much-needed second CT scanner. The ICFT have provided information for those interested in helping – please [click here](#) and [here](#) for more information.

Local engagement and consultations

There are a number of consultations taking place which you may wish to take part in. For further information and to have your say please follow the relevant links below:

- [Healthwatch Tameside Social Care Surveys](#) – Healthwatch Tameside would like to find out what people in Tameside think about the care they have received in the past 12 months. This includes care in your own home, in a residential care home, a

nursing home or in temporary respite care. There are 3 surveys – the Home Care Survey; Residential Care Survey and Carers & Relatives Survey. The closing date is **21 February 2020**

- **Implementing the Universal Model for Personalised Care in Tameside and Glossop**

We would like to know what is important to you, either in receiving or delivering personalised care and support. The [“Universal Model for Personalised Care”](#), was published alongside the NHS Long Term Plan. It describes how personalised care must become a core part of the way we deliver health and care. It highlights how we must extend our view of ‘the system’ to incorporate the vast range of community assets that we have and connect more strongly with the voluntary and community sector. Delivering personalised care means that people have choice and control over the way their care is planned and delivered, it should be based on ‘what matters’ to them and their individual strengths, needs and preferences. Personalised care also means the system taking a broader view on how it can impact in the drivers of ill health, the majority of which rest in people’s homes, communities and daily lives, outside the traditional scope of health and care. You can view a short video on the Universal Model for Personalised Care by clicking [here](#)

In Tameside and Glossop we want to ensure that personalised care runs throughout our health and care system and would like to hear your views on what this should look like and how we can make it happen. We are holding a series of events so that you can share with us what is important to you, either in receiving or delivering personalised care and support. Anyone, living and working (at any level) within Tameside and Glossop is welcome to join us.

Monday 27th January 2020, 10am-2pm (includes lunch) Curzon Ashton Football Club, Richmond St, Ashton-under-Lyne, OL7 9HG. [Register here](#)

Tuesday 4th February 2020, 1pm-3pm, Market St, Glossop SK13 8AR [Register here](#)

Wednesday 5th February 2020, 1pm-3pm, Newton Suite, Hyde Town Hall, 10 Corporation St, Hyde SK14 1AL [Register here](#)

Regional engagement and consultations

Listed below are consultations taking place at a regional level which you may wish to take part in. For further information and to have your say please follow the relevant links below:

- [Police Funding 2020/21](#) – Funding for the police comes both directly from a central Government grant and also from the police precept element of council tax. About 20% of the funding for Greater Manchester Police comes from that police precept, one of the lowest proportions in the country. GMCA are therefore consulting on whether the public agree, in principle, with an additional charge of up to an extra £2 per month for the average band D household to ensure that police officers are able to continue to tackle crime. The deadline for this is **27 January 2020**.
- [The Ignition Project](#) – The Ignition Project brings together 12 partners from Greater Manchester’s local government, universities, non-governmental organisations and businesses. It aims to address the emergency cause by climate change. They are investigating how they can fund the delivery of more nature based projects that will help make us less vulnerable to climate change. They aim to achieve a 10% increase in the city’s coverage of plants and trees by 2038. They would like to hear from

everyone who lives or works in Greater Manchester on this. The closing date is **1 February 2020**.

- [LGBT Foundation Trans and Non-Binary People Affected by Cancer](#) – LGBT Foundation is currently looking to inform healthcare professionals on how they can best support trans and non-binary people affected by cancer. They want to hear experiences of those who received such care in order to understand where improvements can be made. **Ongoing**

National engagement and consultations

There are currently a number of pieces of engagement and /or consultation work being led by Government departments / agencies that you may wish to take part in. For further information and to have your say please follow the relevant links below:

Ofsted inspection: removal of the outstanding exemption – The DfE is seeking views on the removal of the exemption for outstanding schools, colleges and other organisations delivering publicly-funded education and training. Some schools, colleges and other organisations delivering education and training that were rated Outstanding by Ofsted at their last inspection, are legally exempt from further routine Ofsted inspection. It is proposed that this exemption be removed. The deadline for this consultation is **24 February 2020**.
