

Claire

What is important to me?

- Spending time with my family and friends
- My pet dog, called Dusty

If I were a superhero...

I would be able to make sure all kids have a great time at school

What would I like to get better at?

- Saving money
- Running

What is my job?

I work with children to find out about how school is for them. I use this information to help children and teachers to make things better.

What do you people like about me?

I am friendly and easy to talk to
I try to let the child chose what activities we do

How might we work together?

When I come to meet you, I will ask you about yourself and introduce myself. I will explain about some of the things we might do together, and you can ask about anything you're not sure about.

Sometimes we might talk about things you like and find tricky, or play games. Sometimes we might do some drawing or questionnaires or some tests.

See you
