Introduction and guidance on completing the report

1. Section 88P of the School Standards and Framework Act 1998 (the Act) requires every local authority to make an annual report to the adjudicator. The Chief Adjudicator then includes a summary of these reports in her annual report to the Secretary for State for Education. The School Admissions Code (the Code) sets out the requirements for reports by local authorities in paragraph 6. Paragraph 3.23 specifies what must be included as a minimum in the report to the adjudicator and makes provision for the local authority to include any other matters. The report **must** be returned to the Office of the Schools Adjudicator by **30 June 2019**.
2. Please note that the specified date for returning this form by 30 June is a Code requirement; this is why some data are asked for by financial year.
3. We have made some changes to the information and categories of information sought this year:
 - a. we have removed references to “all through” schools and instead would be grateful if local authorities would follow the approach used in statutory provisions and in the Department for Education Statistical First Release¹ and the Education Middle School (England) Regulations 2002², and
 - b. we have decided not to use the term “own admission authority schools” to mean those schools for which the local authority is not the admission authority (that is foundation, voluntary aided and academy schools). This is because a large number of arrangements are now determined by multi-academy trusts. We will therefore refer to ‘schools for which the local authority is not the admission authority’.
4. Local authorities will notice that we have not included this year a number of questions which have been asked in past years. This is because we judge that we are unlikely to receive much information that adds to the existing body of knowledge and do not wish to take up local authorities’ time unnecessarily. We have not asked:
 - a. for details of the particular provisions of admission arrangements determined by other admission authorities challenged by local authorities;
 - b. local authorities’ views of how well the interests of children with special educational needs or disabilities are met at the normal points of admission;
 - c. about the advantages and disadvantages of co-ordinating in year admissions;
 - d. about the reliance on paragraph 3.12 of the Code by other admission authorities in the local authority’s area;
 - e. for information about admission authorities’ approaches to deciding whether or not they had places available in year; or

¹ [Department for Education Statistical First Release](#)

² [The Education Middle School \(England\) Regulations 2002](#)

- f. for the number of children refused admission to a school under the fair access protocol.

Local authorities are, of course, free to comment on any of these matters if they wish to do so under section 6. The views expressed by local authorities in previous years also remain a matter of public record.

5. We are asking new questions this year about:

- a. the proportion of schools with other admission authorities in the local authority area for which the local authority ranks preferences for the schools concerned on the admission authorities' behalf;
- b. use of oversubscription criteria which give priority to children adopted having previously been in care abroad; and
- c. how well served are children who are looked after by another local authority but being educated in the area of the local authority submitting the report.

6. We continue to ask about the use of the premiums in admission arrangements but have provided further guidance on this in footnote 11. In particular, we ask local authorities to include in their responses schools using part of any of the premiums (such as free school meals eligibility). Please consider this footnote before answering the questions on this matter.

i. How well does the admissions system in your local authority area serve the interests of looked after children at **normal points of admission**?

Not at all Not well Well Very well Not applicable³

ii. How well do the admissions systems in other local authority areas serve the interests of children looked after by your local authority at **normal points of admission**?

Not at all Not well Well Very well Not applicable³

iii. How well does your admissions system serve the interests of children who are looked after by other local authorities but educated in your area **at normal points of admission**?

Not at all Not well Well Very well Not applicable³

iv. How well does the admissions system in your local authority area serve the interests of previously looked after children at **normal points of admission**?

³ 'Not applicable' will only be appropriate if there are no children falling within this definition.

Not at all Not well Well Very well Not applicable³

v. Priority in admission arrangements for 2020 for adopted children previously in care abroad.

a. Do the arrangements for any **community or voluntary controlled primary** schools include this priority for 2020? Yes No

If yes please provide the number of community or voluntary controlled primary schools that include this priority.

b. Do the arrangements for any **community or voluntary controlled secondary** schools include this priority for 2020? Yes No

If yes please provide the number of community or voluntary controlled secondary schools that include this priority.

c. Do the arrangements for any primary schools for which the local authority is **not the admission authority** include this priority for 2020? Yes No

If yes please provide the number of primary schools for which the local authority is **not the admission authority** that include this priority.

d. Do the arrangements for any secondary schools for which the local authority is **not the admission authority** include this priority for 2020? Yes No

If yes please provide the number of secondary schools for which the local authority is **not the admission authority** that include this priority.

e. Please comment on the use of a priority in admission arrangements for a child adopted who was previously in care abroad if you wish.

The Community and Voluntary Controlled school admission arrangements do not specifically state that priority will be given to adopted children previously in care abroad. Despite this the LA is aware of this requirement and affords these children priority under the current Looked After Children and Previously Looked After Children criterion.

- vi. Please give any examples of good or poor practice or difficulties which exemplify your answers about the admission to schools of looked after and previously looked after children at the **normal points of admission**:

All LAC and previous LAC are prioritised and dealt with immediately upon receipt of the application. All schools are asked to admit LAC/previous LAC even if they are full in the relevant year group. Schools are asked for a full explanation if they refuse to offer a LAC student a place.

D. Special educational needs and disabilities

- i. Please provide any comments you wish to make on the admission of children with special educational needs and/or disabilities at the normal points of admission:

A few parents of children with SEND report that they are put off by schools from making an application at open days. Additionally, we have been made aware of schools erroneously telling parents that they do not have the resources to meet a child's needs. This has been addressed with the schools.

Section 2 - In year admissions⁴

A. The number of in year admissions

- i. Do you know the number of in year admissions to primary schools in your local authority area? Yes No

- ii. If 'no' is this for one or more of the following reasons (tick boxes as appropriate) because:

- schools with other admission authorities are not complying with the requirement in paragraph 2.22 of the Code to notify the local authority of applications for places and the outcome;

⁴ By in year we mean admission at the start of any school year which is not a normal point of entry for the school concerned (for example at the beginning of Year 2 for a five to eleven primary school) and admission during the course of any school year after the end of the statutory waiting list period in normal years of admission.

- the local authority does not use the information provided by schools with other admission authorities to collect the numbers of in year admissions; and/or

(please specify)

- other?

iii. Do you know the number of in year admissions to secondary schools in your area? Yes No

iv. If 'no' is this for one or more of the following reasons (tick boxes as appropriate) because:

- schools with other admission authorities are not complying with paragraph 2.22 of the Code;
- the local authority does not use the information provided by schools with other admission authorities to collate the numbers of in year admissions; and/or
- other?

(please specify)

v. If the local authority does know the number of in year admissions to state funded schools in its area, please complete the following table.

| | Primary aged children | Secondary aged children |
|---|-----------------------|-------------------------|
| Number of in year admissions between 1/9/17 and 31/8/18 | 735 | 377 |
| Number of in year admissions between 1/9/18 and 31/3/19 | 724 | 298 |

B Co-ordination of in year admissions

- i. To what proportion of community and voluntary controlled schools did the local authority delegate responsibility for in year admissions in the academic year 2018/19?

- a) Primary: Not applicable⁵ None Minority Majority All
b) Secondary: Not applicable⁵ None Minority Majority All

ii. For what proportion of schools for which the local authority is not the admission authority does the local authority co-ordinate in year admissions?

- a) Primary: None Minority Majority All
b) Secondary: None Minority Majority All

iii. Please provide any comments on the co-ordination of in year admissions if you wish.

The LA can provide relevant advice to parents on the availability of school places. The movement of pupils can be monitored and places can be offered in a timely manner.

C Looked after children and previously looked after children

i. How well does the in year admissions system serve children who are looked after by your local authority and who are being educated in your area?

- Not at all Not well Well Very well Not applicable⁶

ii. How well do the in year admission systems in other local authority areas serve the interests of your looked after children?

- Not at all Not well Well Very well Not applicable⁶

iii. How well does your admissions system serve the interests of children who are looked after by other local authorities but educated in your area?

- Not at all Not well Well Very well Not applicable⁶

iv. How well does your in year admissions system serve the interests of previously looked after children?

- Not at all Not well Well Very well Not applicable⁶

v. Please give examples of any good or poor practice or difficulties which support or exemplify your answers about looked after and previously looked after children:

⁵ 'Not applicable' will only be appropriate if the local authority has no community or voluntary controlled primary/secondary schools.

⁶ 'Not applicable' will only be appropriate if there are no children falling within this definition.

Some authorities are good – Rochdale is an example of this.
Lancashire and Birmingham are two local authorities we have struggled to place children in a timely way as we are told that there are no places available

D Children with special educational needs and/or disabilities

- i. How well served are children with special educational needs and/or disabilities who have an education health and care plan that names a school when they need to be admitted in year?

Not at all Not well Well Very well Not applicable⁷

- ii. How well served are children with special educational needs and/or disabilities who do not have an education health and care plan when they need to be admitted in year?

Not at all Not well Well Very well Don't know

- iii. Please give examples of good or poor practice or difficulties which support or exemplify your answers:

A few parents of children with SEND report that they are put off by schools from making an application at open days. Additionally, we have been made aware of schools erroneously telling parents that they do not have the resources to meet a child's needs. This has been addressed with the schools.

E Other children⁸

- i. How well served are other children when they need a new school place in year?

Not at all Not well Well Very well Don't know

- ii. Please provide any comments you wish to make in respect of other children:

F Fair access protocol

- i. Has your fair access protocol been agreed⁹ with the majority of state-funded mainstream schools in your area?

⁷ 'Not applicable' will only be appropriate if there are no children falling within this definition.

⁸ Other children are those not looked after, previously looked after or with special educational needs and/or disabilities.

- Yes for primary
 Yes for secondary

ii. If you have not been able to tick both boxes above, please explain why:

iii. How many children were admitted to schools in your area under the fair access protocol between 1 April 2018 and 31 March 2019?

| Type of school | Number of children admitted | |
|---|-----------------------------|-------------------------|
| | Primary aged children | Secondary aged children |
| Community and voluntary controlled | 112 | 32 |
| Foundation, voluntary aided and academies | 172 | 77 |
| Total | 284 | 109 |

iv. How well do you consider hard to place children are served by the fair access protocol in your area?

- Not at all Not well Well Very well Not applicable¹⁰

Please make any relevant comment on the protocol not covered above.

There is a history of good working relationships between schools and the LA in the operation of the Fair Access Protocols. This allows the protocols to be reviewed regularly ensuring they are always fit for purpose. Schools are involved in FA decisions enabling pupils to be placed within satisfactory timescales.

Section 3 - Directions

A. How many directions did the local authority make between 1 April 2018 and 31 March 2019 for children in the local authority area?

| | Primary aged children (not looked after) | Primary aged looked after children | Secondary aged children (not looked after) | Secondary aged looked after children |
|--------------------|--|------------------------------------|--|--------------------------------------|
| Voluntary aided or | 0 | 0 | 0 | 0 |

⁹ An existing protocol remains binding on all schools up until the point at which a new one is adopted.

¹⁰ 'Not applicable' would mean that there were no hard to place children for which the protocol was required.

| F. Please add any comments on the authority's experiences of requesting directions in these circumstances. | | | | |

G. Any other comments on the admission of children in year not previously raised.

Section 4 - Pupil, service and early years pupil premiums (the premiums)¹¹

| A. How many community or voluntary controlled schools in the local authority area will use each premium as an oversubscription criterion (including the tiebreaker) for admissions in 2020? | Primary | Secondary ¹² <u>excluding</u> grammar | Grammar ¹² |
|---|---------|--|-----------------------|
| Early years pupil premium | 0 | N/A | N/A |
| Pupil premium | 0 | 0 | N/A |
| Service premium | 0 | 0 | N/A |
| Total number of schools using at least one premium in their oversubscription criteria | 0 | 0 | N/A |

¹¹ Please include in these figures all schools whose arrangements give priority on the basis of eligibility for one or more of the premiums or part thereof except where the only sub-group is looked after and previously looked after children as all schools must give first priority to these children.

Admission authorities can limit priority to specific sub-groups of those who attract a premium. Examples are:

- children of parents who are currently serving in the UK regular armed forces (rather than all children who attract the service premium); or
- children who are eligible for free school meals at the time of application (rather than all children who attract the pupil premium).

If such sub-groups have priority at any point within the oversubscription criteria, they should be included in the totals for this table even if there is no specific use of the terms, 'pupil premium,' 'early years premium' or 'service premium' in the arrangements. Paragraphs 1.39A and 1.39B of the Code provide the relevant exceptions to paragraph 1.9f (which prohibits giving a priority to a child according to the occupational or financial status of parents applying).

¹² Do not include use in post 16 arrangements

| B. How many schools for which the local authority is NOT the admission authority in your area will use each premium as an oversubscription criterion (including the tiebreaker) for 2020? | Primary | Secondary ¹² <u>excluding</u> grammar | Grammar ¹² |
|--|---------|--|-----------------------|
| Early years pupil premium | 0 | N/A | N/A |
| Pupil premium | 0 | 0 | N/A |
| Service premium | 1 | 0 | N/A |
| Total number of schools using at least one premium in their oversubscription criteria | 1 | 0 | N/A |

Section 5 - Electively home educated children

A. How many children were recorded as being electively home educated in the local authority area on 29 March 2019?

153

B. Any comments to make relating to admissions and children electively home educated that you have not previously raised?

N/A

Section 6 - Other matters

Are there any other matters that the local authority would like to raise that have not been covered by the questions above?

Section 7 - Feedback

We would be grateful if you could provide any feedback on completing this report to inform our practice for 2020.

The report was easy to complete.

Thank you for completing this template.
