

Hi, I'm Freya and
I'm looking forward to
meeting you!

My job

I am an Educational Psychologist. I work with children and young people to find out what they are good at and what they sometimes find hard.

What we might do

When I come to meet you I will introduce myself and tell you what we might do together. This might be a chat about what's important to you. We might also do some games, drawing or questionnaires.

Children and young people who have worked with me before describe me as positive, fun and happy!

If you don't want to meet with me, you don't have to! We will only meet or do as much as you want to.

If you have any questions, you can write them down, or ask someone to write them down for you and I will try my best to answer them when we meet.
