

Hannah Hulme

My Job - I'm an Educational Psychologist! But you can call me Hannah. I work with young people, their families and their schools to make learning and going to school easier. I try to help young people and adults to solve problems.

What we might do...

When I come to meet you I will introduce myself and will tell you what we might do together.

This might be a chat about what is important to you. We might also do some games, drawing, questionnaires or some tests (but we can make this fun).

What is important to me...

My Family	Food
My Dog	Skiing
My Home	Cinema
Reading	Exercise
My Work	
That all young people should be listened to	

What happens if you don't want to work with me...?

If you don't want to meet me or do any work, you don't have to! We will only meet and do as much as you want to.
