

Katherine Stothard

I am a trainee educational psychologist (sometimes called a TEP). You can call me Katherine.

I work with lots of different young people, like you, in different schools. I work with adults who know the young people well too. I find out:

- what the young people like and dislike
- what they are good at
- what they may need extra help with

I work with the young people and adults who know them to find out the best ways to help them in school.

About me

Things I like:

- Cats
- Pizza
- Swimming

Things I would like to get better at:

- Yoga
- Drawing
- Using ICT

What we will do when I visit

When I come to see you, I will introduce myself and then we will decide what types of activities you would be happy to do. We might -

- Have a chat
- Play some games
- Do some drawing
- Do some activities where you can show me what you can do

We will only do as much as you want to do. If you do not want to meet me, you don't have to. If you have any questions, please ask 😊

If you have any questions after we have met then you (or your carer) can contact me by email:
