

Laura Whitehead

My job

I'm a Trainee Educational Psychologist.

I get to find out about children and young people's:

- Likes and dislikes
- What they are good at and what they might need some help with

About me

I'm from Birmingham but I now live in Manchester.

I love eating chocolate and spending time with friends.

I would like to get better at reading.

What people like about me:

- I smile a lot
- I love to play games
- I am a good listener

What's important to me:

- To spend time with people
- Exercising
- Birmingham City winning in football matches

What we might do together

- Chat for a little while
- Play games and do some activities
- Think about what would help you in school

What happens if you don't want to work with me?

That's fine! If you really don't want to work with me then that is ok. We will only meet for a chat if you say yes. If you do want to work with me then that's great but if you feel like you want to stop we can do at any time.

I look forward to meeting you soon! 😊
