YOUTH TRAINING TRAINEES

The full council tax bill assumes that there are 2 adults residing in a dwelling. However, for council tax purposes certain people will not be counted when looking at the number of adults.

The effect of disregarding certain adults may be to reduce the council tax bill by 25% or 50%.

EXAMPLE	4 adults residing in a property	
(i)	one person in disregarded category	100% charge as there are still more than 2 adults to be counted
(ii)	two persons in disregarded category	100% charge as there are still 2 adults to be counted
(iii)	three persons in disregarded category	75% charge as only one adult is to be counted
(iv)	four persons in disregarded category	50% charge as there are no adults to be counted

Below are answers to some questions about who should be disregarded, under this category, for the purpose of assessing Council Tax discount.

In what circumstances is a youth training trainee disregarded?

A person is a youth training trainee if he or she is aged under 25 and is undertaking training through an approved scheme.

Why does the employer have to complete a certificate?

In order to confirm that the youth training trainee is training for a relevant vocation and to verify his/her salary or allowance.

How do I apply?

Complete this form and return it to Exchequer and Support Services. Once it has been assessed you will be notified of our decision.

For how long will the discount be allowed?

For as long as there are less than two adults in the property who are not disregarded. If there is any change in circumstances then you must notify Exchequer and Support Services. Failure to do so may result in a penalty being imposed
