

## Hyde Community Regeneration Grants

These grants are funded from the UKSPF from central Government and are only available to Tameside based community groups.

The correct logo's (to be provided) must be used on all marketing (posters, press releases or advertisements etc) material.

Groups/individuals who apply must be in a position to undertake the proposed activity in full, provide the required documentation necessary to undertake the proposed activity and fulfil funding requirements.

In line with the terms of the grant requirements, the event/activity must take place in Hyde Town centre (location map to be provided).

The grants can be used for any activity/event that provides a benefit to the community for example:

- Events
- Exhibitions
- Art
- Culture
- Materials/equipment

To fulfil grant requirements the proposed activity has to open to all and be free for all to attend. Specific events may, by their nature have a limited number of spaces. This is acceptable as long as everyone has the opportunity to apply for a place.

Grants will be made available through a simple application process:

- Application form
- Review by authority staff
- Award or decline letter

In order to comply with funding requirements, you would also need to provide copies of any marketing material of the events and spend related to the event i.e. copies of quotes and invoices to evidence spend.

Grants will be released from 5<sup>th</sup> February 2024 and will be available until 7<sup>th</sup> February 2025 or the fund is depleted.

Failure to provide the agreed outcomes or breaches in the regulations may mean claims cannot be paid.

The table below shows the evidence of outputs that will be required to evidence work undertaken by your grant:

Output Indicator	UK SPF Definition	Baseline Evidence	Output Evidence Requirements
