**(Please note, the Covid-19 information section can now be found in the second half of this PEN update)**

Things to be aware of this month include:

- **July 2021 PEN Conference – report now available** – a big thank you to those of you who attended our Partnership Engagement Network Conference in July – the second large scale PEN conference to be delivered virtually this year. With over 50 people in attendance there was a lot of discussion during the workshops, which covered topics such as the Domestic Abuse Strategy, People Powered Health and Wellbeing Strategy, the future of Customer Services in Tameside, the Be Well Service, Barriers to Accessing Information and Couch to Out and About. A report summarising the discussions and feedback from the conference is now available and can be found here: <https://www.tamesideandglossopccg.org/getmedia/060b59eb-22ba-4746-8bd2-114d6d813d47/PEN-Conference-July-2021-Report>
- **Consultation opens on Places for Everyone** – Tameside residents are urged to have their say on the Places for Everyone Plan for jobs, new homes and sustainable growth. An eight-week public consultation takes place from 9 August to 3 October at [www.GMConsult.org](http://www.GMConsult.org). The plan will determine the kind of development that takes place across the city-region, maximising the use of brownfield land and urban spaces while protecting Green Belt from the risk of unplanned development. It will also ensure all new developments are sustainably integrated into Greater Manchester's transport network or supported by new infrastructure. Residents are being asked if they think the plan is 'sound' as set out in Government policy and whether it complies with the necessary legal requirements. For more information you can also send a consultation response by email to [placesforeveryone@greatermanchester-ca.gov.uk](mailto:placesforeveryone@greatermanchester-ca.gov.uk) or by post to: Planning and Housing team, Greater Manchester Combined Authority, Broadhurst House, 56 Oxford Street, Manchester, M1 6EU. If you cannot access the information or have queries then you can leave your name and telephone number on an answerphone by calling 0161 778 7006 and someone will return your call.
- The £150 million **Community Ownership Fund** is for communities across the United Kingdom. It has been set up to help communities take ownership of assets and

amenities at risk of closure. It will run for 4 years. The first bidding round opened on 15 July 2021. Voluntary and community organisations can bid for **match funding for their projects**. Funding may support the purchase and/or renovation costs of community assets and amenities, subject to the full eligibility criteria outlined in this prospectus.

The fund will support a range of community ownership proposals. For example, projects may include:

- sporting and leisure facilities
- cinemas and theatres
- music venues
- museums
- galleries
- parks
- pubs

The Community Ownership Fund has 4 strategic objectives:

- provide targeted investment for communities to save community assets that would otherwise be lost
- strengthen capacity and capability in communities to support them to shape their places and develop sustainable community businesses
- empower communities in left behind places to level up
- strengthen direct links between places across the UK and the UK government

Co-operatives UK have published some helpful guidance for groups thinking of making a bid. Here: <https://www.uk.coop/start-new-co-op/support/community-shares/apply-ps150m-community-ownership-fund>

### Local engagement and consultations

There are a number of consultations taking place which you may wish to take part in. For further information and to have your say please follow the relevant links below:

- **Customer Services Review Consultation** – Tameside Council is seeking views on proposed changes to its face-to-face Customer Services. The way that customers access services has changed over recent years, due to changes in technological advancements and increasing access as well as the Covid-19 pandemic. Since March 2020, due to the Covid-19 pandemic no face-to-face Customer Service function has been offered. Residents wishing to contact the Council have had to make contact via other channels, including telephone, email or Webchat via the Council website.

These circumstances of accelerated change combined with decreasing budgets have presented an opportunity to review the way we deliver services. Changes to the way that face-to-face Customer Service is provided are being proposed. The proposed service model for the future would be based on providing the most appropriate

access channel according to customers' requirements. It would be very similar to the current offer but with the addition of face-to-face contact where necessary and only for those where other channels would not be suitable. The Council is seeking your views on these proposals. Deadline: **19 September 2021**.

<https://www.tameside.gov.uk/tbc/customerservicesreviewconsultation>

- **Foster Care Offer Consultation** – Tameside Council is proposing a new Foster Care Offer. The main aim of this is to support and retain existing foster carers and attract more foster carers so that Tameside can build its proportion of in-house local placements for cared for children.

Following a review of the offer in 2020, it found possible improvements that could be made to help Tameside's ambition to deliver a good fostering offer, including bringing fees in line with competitive rates, improving the level of support to foster carers and improving the training and development model.

We would like to hear your views on the new offer. Closing date: **27 September 2021**.

<https://www.tameside.gov.uk/tbc/fostercareofferconsultation>

- **Waste Policy Consultation** – Tameside Council are consulting with residents on proposed amendments to our Waste Policy, which highlights the responsibilities of ourselves and the public in regards to waste collection and recycling across the borough.

We would be grateful to hear feedback from residents on the proposed amendments to the Waste Policy. Closing date: **20 October 2021**.

<https://www.tameside.gov.uk/wastepolicy2021>

- **Tameside Community Cohesion questionnaire** – A cohesive community is a diverse society where people from all backgrounds feel that they belong and are valued, enjoy similar life opportunities, and interact with other groups. A cohesive community is one that has moved beyond an "us" and "them" narrative to one where there is trust and interaction between different groups.

Tameside Council would like to hear about your thoughts and experiences of community cohesion in the borough. This will help us to better understand the topic in Tameside. <https://www.surveymonkey.co.uk/r/TMBCCCommunityCohesionsurvey>

- **Digital Skills Survey** – Tameside Council want to understand the level of digital skills and access in Tameside. This means finding out who can access the internet and how confident they are using computers or digital devices, such as tablets or smartphones.

The information will help ensure that the support available to help anyone improve their skills or gain access online is provided in the right way. To find out more about the support currently available please visit this

webpage: <https://www.tameside.gov.uk/libraries>

The deadline for responses is **15 October 2021**.

- **General feedback about health and care services** – This new survey is about general use of health and care services. Please help Healthwatch Tameside by telling them about any services you have used recently, that you haven't included in a survey response before. What went well? What could be improved?  
<https://www.surveymonkey.co.uk/r/HWTgeneral21>
- **Survey for people who are mental health service users and their carers** – This new survey is for people who are using (or trying to use) mental health services and their carers. Healthwatch Tameside want to hear about your experiences of mental health services at the moment. This anonymous feedback will be used to influence the care provided by local services in the future. Closing date **24 September 2021**.  
<https://www.smartsurvey.co.uk/s/HWTMentalHealth2021/>
- **NHS 111 Survey for the GM area** – Healthwatch England want to expand on the data collected, and have produced a survey for the local Healthwatch in Greater Manchester to use. Please help them to collect feedback about the use of NHS 111 across the whole of Greater Manchester. This will help to influence the way services are provided in the future. Closing date **31 August 2021**.  
<https://www.smartsurvey.co.uk/s/IYPMATHWT/>
- **Barriers to accessing information and services** – Diversity Matters North West are conducting a survey on the “Barriers to Accessing Information” that people face across Tameside and Glossop. This is particularly in relation to language barriers, and in the context of Covid-19, but barriers could also include digital access, gate-keeping, “red-tape”, difficulties identifying the correct service, slow response times by services etc.

The Tameside and Glossop Inequalities Reference Group have invited Diversity Matters North West to conduct this survey as part of a wider research and engagement process into these barriers across the locality. The responses, analysis and recommendations will inform an action report for decision makers to consider and make improvements based on the results.

- **Self-isolation survey** – Tameside Council are conducting a survey to better understand the barriers and challenges that people may face when asked to self-isolate due to coronavirus. Self-isolation is when you do not leave your home because you have or might have coronavirus (COVID-19). You are typically asked to self-isolate for at least 10 days. This helps stop the virus spreading to other people. The reasons people are asked to self-isolate are because they have tested positive for coronavirus and been asked to self-isolate, a member of your household has tested positive for coronavirus, or you have been identified by the NHS Track and Trace as a contact of someone who tested positive. A better understanding of the barriers and challenges people face to self-isolation can help us to better support local people to self-isolate. <https://www.surveymonkey.co.uk/r/tmbcselfisolation>

## Regional engagement and consultations

- **Engaging women who may be sex working in Greater Manchester** – MASH (Manchester Action on Street Health) is a charity that provides free and confidential support for women who are sex working in Greater Manchester. At MASH we have been empowering women and changing lives for 30 years. As part of the research, MASH would like to obtain the views and lived experiences of women who are or may be sex working in Greater Manchester. They are conducting this via a short, easy self-completion survey (available in paper and online format) and also by undertaking some face-to-face work (group discussions and individual or paired interviews) via MASH and other stakeholder organisations. It will help build a picture of support across Greater Manchester for women who are sex working. All your comments are confidential. The privacy statement at the end gives more information about this. The deadline for this is **30 September 21**.  
<https://www.smartsurvey.co.uk/s/womens-voices/>
- **Let's talk about wildfires** – Greater Manchester Fire & Rescue Service would like to find out what the public think about wildfire. They would like to find out what people think is the cause of wildfires, what should be the consequence of negative actions around wildfires, your concerns and what should be done to prevent them from happening. The deadline for this is **31 August 2021**.  
<https://www.gmconsult.org/strategy-team/public-perception-of-wildfire/>
- **Dementia Call for Evidence – Black African and Caribbean People In Greater Manchester** – The African Caribbean Care Group (ACCG) want to understand the dementia support and information provision to Black African and Caribbean people in Greater Manchester. Questions can be answered by either carers or people living with dementia. The Dementia Call for Evidence Survey covers 4 areas of a person's Dementia journey: Diagnosing well, living well, supporting well and end of life. This consultation is **ongoing**.

## National engagement and consultations:

- **Census 2021 outputs: content design and release phase proposals** – The census is a survey that happens every 10 years and gives a picture of all the people and households in England and Wales. All kinds of organisations, from local authorities to charities, use the information to help provide the services we all need, including transport, education, and healthcare.

The census has always changed with the times to better meet users' needs, make better use of technology, introduce new questions, and change or replace existing questions. To enable us at the Office for National Statistics (ONS) to meet these changing needs, we engage with data users throughout the development cycle of the census.

This consultation is part of that engagement process. The UK Statistics Authority would like to hear your feedback on the proposals outlined throughout the questionnaire.

These proposals cover the release of census data and a proposed programme of analysis, to draw insights from that data. They welcome contributions from all census users, from those who are experienced users of census data to those who are looking to use census data for the first time. Deadline: **5 October 2021**.

### **Covid-19 opinion and behaviour insight:**

The following are some key statistics taken from different pieces of national and regional research indicating what the impact of covid-19 has been for people including businesses.

Understanding the impact of Covid-19 will be crucial to our recovery locally and how we plan to build back better.

- 96% of British adults reported that they have received, or would be likely to accept, a Covid-19 vaccine if offered. However, Black and Black-British adults have the highest levels of vaccine hesitancy (18%), which is over four times higher than levels amongst White adults (4%)
- 70% of people want wearing a face mask in public places to continue for at least one month after 19 July
- 83% of people think that social distancing should continue to be observed after 19 July
- 29% of students have engaged with mental health and/or wellbeing services this academic term
- A third of adults (34%) are confident that life will return to 'normal' by Christmas 2021
- Just 6% of adults have booked a summer holiday abroad for this year

### **Grant Funding for VCSE organisations**

There are a number of ways VCSE organisations in Greater Manchester and Derbyshire can apply for funding during the Covid-19 outbreak. 10GM, a partnership of local support and development agencies in Greater Manchester, have come together to produce a bulletin providing all the information on funding opportunities available for VCF organisations in Greater Manchester, including how to apply. You can find the latest bulletin here:

<https://www.gmcvo.org.uk/news/gm-funding-ebulletin-august-2021>

**Action Together Funding Bulletin** – Action Together have a wealth of experience that could help you find and secure funding. The latest funding bulletin, which is produced monthly with 10GM colleagues can be found here:
