

2017/18 Proposed Road Resurfacing Works

Below is the list of roads where there is planned carriageway resurfacing works between April 2017 and March 2018. These works will be undertaken by specialist contractors and detailed local programmes will be developed taking into consideration contractor resources, local traffic conditions, any planned works by others e.g. statutory undertakers, developments etc.

Once detailed programmes have been confirmed, local residents will be informed in advance of the works and signs erected on site to inform drivers about any potential delays.
