

WHO AM I?

Hi!

My name is Becky.

I am an Assistant Educational Psychologist.

I work with children and young people to find out what they are good at, and help out when things feel difficult.

What might we do together?

When I come to meet you, I will introduce myself and will tell you what we might do together. This might be a chat about what is important to you. We might also do some games, drawing, questionnaires or some tests.

My job is to try and help you have a better time at school!

This is my dog, Albus!

What is important to me?

My family

My friends

Meeting new people

Travelling to fun places

My cocker spaniel, called Albus

People describe me as...

Easy to talk to

What happen if you don't want to work with me?

If you don't want to meet me or do any work, you don't have to.

We will only meet and do as much as you want 😊
