

# HELLO, I'M BETH WALSH

## MY JOB

I am an 'Assistant Educational Psychologist', but you can call me Beth. I work with children and young people like you to find out what they are good at and what they might sometimes find hard. I try to find ways to help make things easier so people can do well.

## WHAT WE MIGHT DO

I might meet you online, or in person at school or home.

When we meet, I'll say hello and explain what we might do together. We might have a chat, play games or do a quiz. Together we will think of a plan that supports you and makes learning easier.

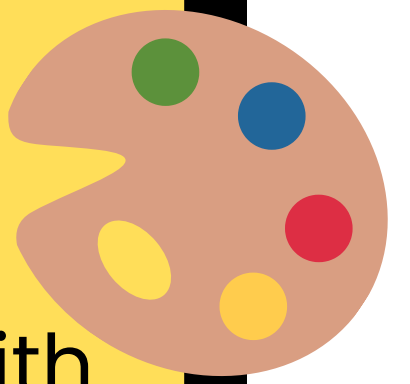

## WHAT HAPPENS IF YOU DON'T WANT TO WORK WITH ME?

If you don't want to meet me or do any work, that's okay. If you're feeling unsure or have any questions, you can speak to a trusted adult at school or home.

If you want to contact me, you can send me an email:
