

## Volunteering

Do you want to get outside, learn new skills and take part in practical conservation tasks that improve your local Greenspace?

Conservation days are held on a range of sites around the borough and start at 10:30am, finishing by 3pm.

Tasks could include anything from hedge laying, fencing repairs, gardening, pond clearance, litter picking, tree planting, way-marking and lots more!

All events are free and open to everyone over 16 years. (Each 16–17-year-old must provide written permission from a parent or guardian). No experience is needed, just a willingness to join in and learn new skills. We will provide you with any equipment you need and instruction on how to use any tools. Dogs are not permitted unless trained assistance dogs.

It is advisable to wear trousers and long-sleeved tops, sturdy shoes like walking boots or steel toe caps and clothes you don't mind getting muddy and waterproofs or sunscreen depending on the weather. Please bring a packed lunch and a drink with you.

Please book on for any days you are attending so we can plan for the day and let you know if anything changes.
