

Food Pantries in Tameside:

Food Pantries (or food clubs or hubs) are for anyone living in a local area who may be struggling to cover day to day living costs.

Food pantries usually have a membership and charge a modest fee for groceries which is much lower than if the food was purchased from a supermarket. Each food club or pantry may have their own membership rules and ethos - please check with each pantry individually.

Many food clubs also help to decrease food waste by redistributing surplus food.

The list of food pantries and clubs can be found in the table below.

Please note this online resource was last updated October 2026, we encourage you to check with the food pantry to make sure they are still operating with the same opening hours and times before attending.
