

1 Parasol Arrangement Plan
Scale: 1:200

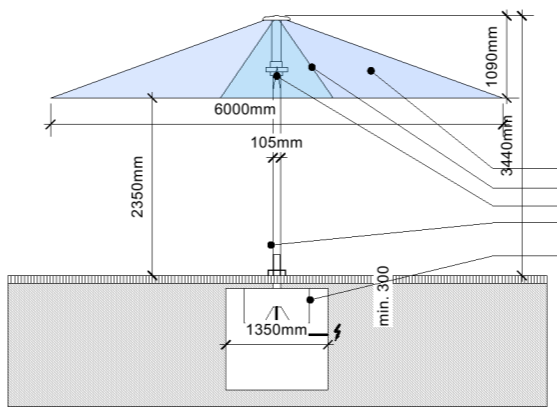

4No. 6m x 6m parasols in a staggered arrangement with 3m spacing between the first three parasols, and 5.5m between parasol three and four measured at the centre point of the parasols.

This arrangement allows for access to all sides of each parasol with a 4m offset from Claredon Street. This arrangement also presents the potential to invite pedestrians travelling in a west direction on Market Place into the Market square as a result of the visibility of parasol four.

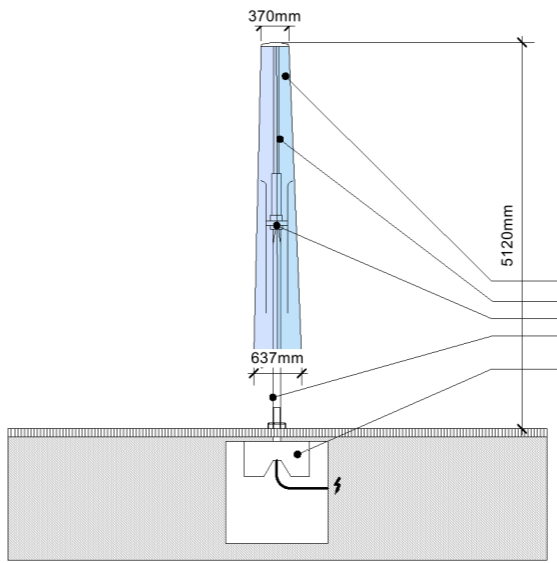

There is a 5m distance between parasol four and the amusement ride which improves visibility of Hyde Town Hall and movement into/through the Market Square.

DESIGN INTENT ONLY

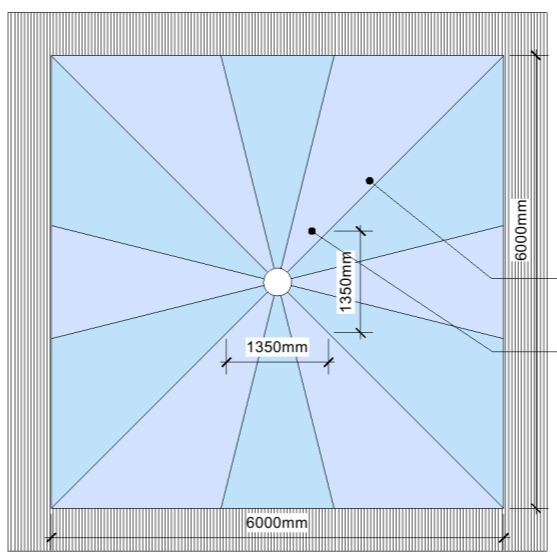

Foundations to engineers specification. **subject to approval of manufacturers drawings, all measurements to be checked on site prior to ordering and fabrication.**

2 Parasol - Open Section
Scale: 1:50

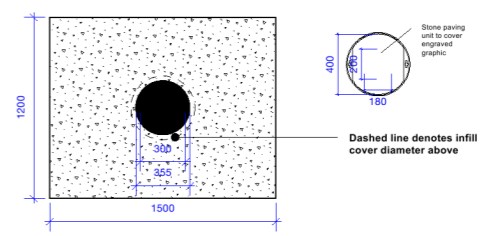

3 Parasol - closed Section
Scale: 1:50

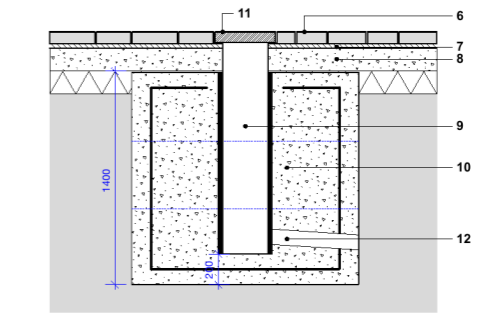

4 Parasol - Plan
Scale: 1:50

- 1 - Canopy**
- Size: F1 Market Stall Parasol 6m x 6m
- 100% polyacrylic approx. 300 g/m (spun-dyed).
- Custom printing & advertising print.
- Colours (TBC) subject to further detail.
- Supplier: Glatz Noblesse or equal and approved
- 2 - Accessories**
- Integrated LED lighting.
- Integrated rain gutter.
- Integrated anti-theft system.
- Protected covers with corset lacing.
- 3 - Frame**
- 12 parts made from anodised aluminium.
- Anti-rotation mast including reinforcing struts.
- 4 - Drive & Opening Principal**
- Counter-rotating telescopic system.
- Patented opening using a toothed belt.
- Motor-driven opening.
- 5 - Base/Foundation**
- In-ground socket and foundation haunch to supplier's specification.
- Mains current power connection incorporated into foundation.

5 Parasol Anchoring Socket - Plan
Scale: 1:25

6 Parasol Anchoring Detail Section
Scale: 1:25

- 6. Adjacent Paving**
- 7. Mortar bedding and jointing.**
to engineer's specification
Product: Steintec or similar and approved
- 8. Concrete roadbase.**
to engineers specification.
- 9. Recessed Socket as per manufacturers details**
cast into concrete foundation.
- 10. Concrete foundation**
- 11. Recessed cover (bespoke) - allow for 12no. of Sockets and Covers for the whole scheme**
Galvanised steel cover and frame, cover to have paving infill (single piece of Porphyry). Lifting eyes (to accommodate standard manhole key) to be incorporated into steel cover as shown on detail. Porphyry paving cover to have engraved recessed ash leaf graphic as shown on detail.
