Hi

My thoughts are for the planning of affordable homes.

Who will these homes be for?

My son has no chance of buying his own home and private renting is a scandal on its own re costs!!

Do you have to be homeless or an immigrant to secure a property or can you be

HARD WORKING, LOCAL, IN FULL TIME EMPLOYMENT BUT CANNOT AFFORD TO PRIVATELY RENT?

Are you going to give these hard working local people a chance to have an affordable home and if so how would they apply?

Regards

Janice Leyden
