SPATIAL VISION

The plan sets out a spatial vision for Tameside that hopes to support in the vision and priorities within the Council's Corporate Plan. The proposed vision for the plan is set out below.

Tameside in 2042 will be:

- **Homes: A place where people are proud to live, with a range of attractive and affordable homes that meet local needs.**
- **Jobs: A place with a strong local economy where businesses choose to remain, invest and grow, and where residents can learn and earn.**
- **Centres: A place with a range of strong, vibrant and diverse centres which serve their local communities and where people want to spend time.**
- **Travel: A well-connected place, where active travel is the first and natural choice, with high quality public transport connections, where people can travel safely and conveniently to destinations both within and beyond the borough.**
- **Places: A place where our cultural and built heritage are cherished, and where good design creates sustainable, safe, inclusive and accessible places.**
- **Environment: A greener place with a thriving natural environment and clean air, where communities and infrastructure are sustainable and climate resilient.**
- **People: A place where children are given the best start in life, are able to exceed expectations and where everyone is able to live a healthy, happy and active life within thriving supportive communities, supported by the services they need.**

To what extent do you agree with the Homes, Spaces, Places Vision for Tameside?

Strongly disagree

Please give a reason for your answer.

You're telling farmers to give part of their land for re wilding then ripping up greenbelt at the same time. This Labour council is so corrupt, you make me spew

If you think there should be alternative wording for the Vision, please detail your proposed wording below.

Build on brown belt, there's lots around

STRATEGIC OBJECTIVES

To what extent do you agree with the Homes, Spaces, Places strategic objectives?

Homes: To ensure that new housing provides a range of suitable and affordable homes to meet residents' needs, whilst making efficient use of land.

Strongly disagree

Jobs: To enable all residents to share in the benefits of economic growth

Strongly disagree

Centres: To support the borough's centres to thrive, be vibrant and attractive and safe spaces where people choose to spend time.

Strongly disagree

Travel: To enable everyone to travel safely, conveniently and reduce congestion.

Strongly disagree

Places: To deliver development that makes a positive contribution to the character, heritage and identity of Tameside.

Strongly disagree

Environment: To ensure that new development responds positively to climate change and ecologically sensitive locations.

Strongly disagree

People: To reduce health inequalities, improve health outcomes and enable the provision of services and infrastructure to support new and existing communities.

Strongly disagree

Please give a reason for the choices you provided above.

It's just a war on motorists because they're a cash cow. I don't want to live in a 15 min ghetto. You are a WEF muppet 🤖

SPATIAL FRAMEWORK

To what extent do you agree with Policy approach HSP S1: Overall Spatial Strategy?

Strongly disagree

Please give a reason for your answer.

You are all about feathering your own nest. The Labour Party is so corrupt. Rayner and Reynolds are supposed to look after our best interests and they live down south (at our expense)

If you think there are any reasonable alternatives to Policy approach HSP S1, please detail these below.

This is the worst survey ever. It's just a repetition. Hang your heads in shame, we are only in this earth for a short time but you people who dig up greenbelt, and displace wildlife will rot in hell for an eternity 🙄

ENVIRONMENT

To what extent do you agree with Policy approach HSP E1: Renewable Energy Opportunities?

Disagree

Please give a reason for your answer.

Net zero is costing everyone in the UK, it doesn't achieve anything and the rest of the world are laughing at us

To what extent do you agree with Policy approach HSP E2: Critical Drainage and Water Demand?

Strongly disagree

Please give a reason for your answer.

My water bill has gone up 50% on the last few years. We live on an island!! No other European country has water shortages and hose pipe bans and they have better weather. All about paying shareholders, and most of them don't live in the uk

To what extent do you agree with Policy approach HSP E3: Biodiversity?

Strongly disagree

Please give a reason for your answer.

POLICIES MAP AND INTEGRATED ASSESSMENT

A policies map has been published which shows the areas of land that relate to specific policies in this plan at this stage in the process. Future versions of Homes, Spaces, Places will have specific allocations and further designations of land linked to policies. An updated policies map will be produced at that time to identify these.

If you have any comments on the Policies Map, please provide these below.

An Integrated Assessment Report has been produced to accompany this plan. The Integrated Assessment identifies the potential sustainability impacts of implementing the Homes, Spaces, Places Plan.

Do you consider that the Integrated Assessment has adequately assessed the potential environmental, social, and economic impacts of the proposed policy approaches and strategies within the Plan?

Are there any sections of the Integrated Assessment that require further explanation or clarification?

This survey is the most repetitive pointless survey ever, I have up
