Hello, I am writing to you regarding the letter about the construction plan behind the A57 Hyde Road. I would like to express my opinion as a house owner who lives on this road. I would like to object to any construction being done on the land plot behind other than what already is being done, as when choosing to buy this house, a majoring factor of the decision to buy was the view that we have at the back of the house. We understand the construction being done now is necessary which we respect, however any other construction that will end up being at the back of our fences is not appreciated and we would like for the land at the back of the houses to remain untouched and left alone.

Thank you.

Karan Jnati
