From the plans there is little scoping of Brownfield sites , the main thrust of building is Ashton Moss, Godley Green and Gee X (south Hyde) . These are prime green belt lands , not grey and no right to be built on . Tameside are not listening to their constituents and are overriding their concerns. These are the wrong type of housing , in the wrong place and do not meet housing need . They are council funding rates in the higher brackets to balance the wasted money by he Council. This is not democracy but dictatorship and land lost will be devastating for the borough . Kim Scragg
