The consultation was considered at the meeting of the Town Council on Wednesday 14 May 2025.

The Town Council adopted the following resolution:

"That the Town Council's previous decision (minute 2634 of 4 September 2024) to make no comment on the consultation and the "call for sites" as the Town Council is. at the initial stage in formulating a Neighbourhood Plan for the Town and it would be premature to make any decisions which may ultimately conflict with the final plan, be reaffirmed."

Regards,

Mike

In addition, where respondents suggest sites to the Council, a map showing the location of the submitted sites, the use they have been suggested for and details of who has put the site forward will be published.

What are the next steps?

Once the consultation closes, responses received will be considered and any sites put forward assessed. This will help us to write a draft plan.
