

My name is Rose

I am a Trainee Educational Psychologist.
I work with children and young people like you, to find out what they are good at and what they find difficult.

I use this information to work with lots of different people to try and make changes in school that would make it better.

I like...

The colour green

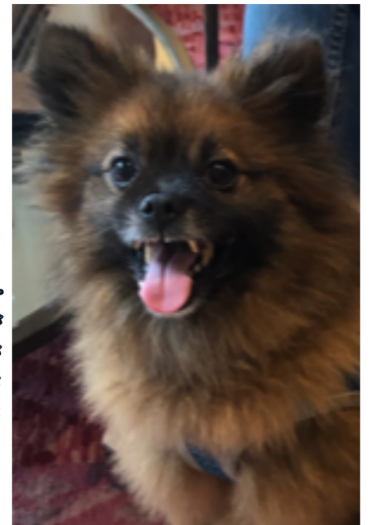

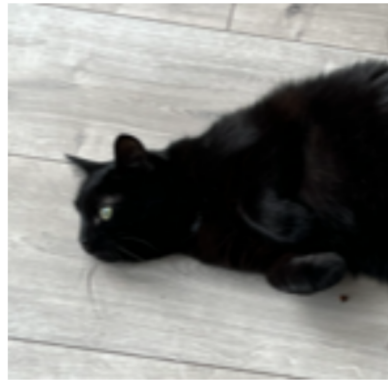

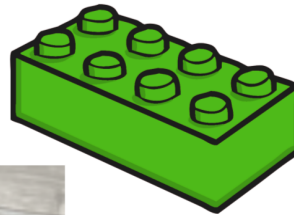

My cat and dog

Netflix

Books

Lego

NETFLIX

When I come to see you, I will introduce myself and tell you what we might do together.

If you don't want to work with me, you don't have to.

If you have **any** questions, you can ask me or an adult at your school. You can contact me at rose.black@tameside.gov.uk or [0756116616](tel:0756116616)

No question is silly and I would love to hear from you.
