CHALLENGE 1

Make an Elf Hat

No elf would be seen anywhere at Christmas without his festive elf hat.

Your class challenge is to make their own hats and wear them with pride!

You can create templates to trace round and cut out of coloured card, or print off and colour with pens or paint. Stick on to a headband made from a strip of card or made from a semicircle of card, they are simple and fun to make and wear!

Elf appearance

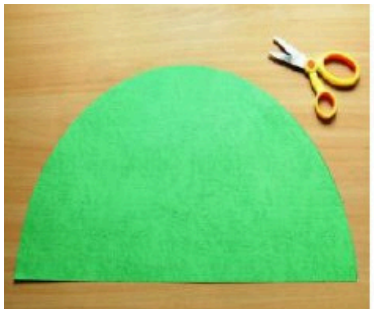

Not exceeding 4 feet, and with long pointy ears.

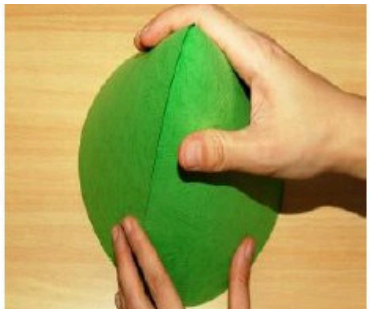

Costumes are red or green with pointy hat, rosy cheeks, and pointy ears.

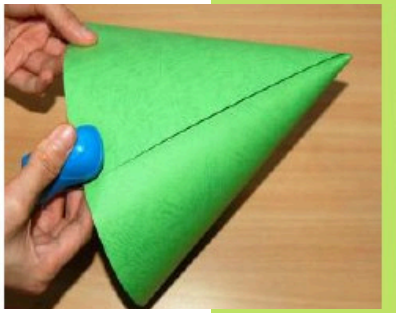

Their clothes keep them warm despite living in an extremely cold habitat.

They live in tiny cottages which they decorate with Christmas lights, gingerbread, and other Christmas ornaments.

They can be either male or female.
