SPATIAL VISION

The plan sets out a spatial vision for Tameside that hopes to support in the vision and priorities within the Council's Corporate Plan. The proposed vision for the plan is set out below.

Tameside in 2042 will be:

- **Homes: A place where people are proud to live, with a range of attractive and affordable homes that meet local needs.**
- **Jobs: A place with a strong local economy where businesses choose to remain, invest and grow, and where residents can learn and earn.**
- **Centres: A place with a range of strong, vibrant and diverse centres which serve their local communities and where people want to spend time.**
- **Travel: A well-connected place, where active travel is the first and natural choice, with high quality public transport connections, where people can travel safely and conveniently to destinations both within and beyond the borough.**
- **Places: A place where our cultural and built heritage are cherished, and where good design creates sustainable, safe, inclusive and accessible places.**
- **Environment: A greener place with a thriving natural environment and clean air, where communities and infrastructure are sustainable and climate resilient.**
- **People: A place where children are given the best start in life, are able to exceed expectations and where everyone is able to live a healthy, happy and active life within thriving supportive communities, supported by the services they need.**

To what extent do you agree with the Homes, Spaces, Places Vision for Tameside?

Disagree

Please give a reason for your answer.

We need green space, fresh air, wildlife, nature . No destroying the greenbelt

If you think there should be alternative wording for the Vision, please detail your proposed wording below.

We talk about environment but then also plan to destroy it - can't do both?

STRATEGIC OBJECTIVES

To what extent do you agree with the Homes, Spaces, Places strategic objectives?

Homes: To ensure that new housing provides a range of suitable and affordable homes to meet residents' needs, whilst making efficient use of land.

Neutral

Jobs: To enable all residents to share in the benefits of economic growth

Neutral

Centres: To support the borough's centres to thrive, be vibrant and attractive and safe spaces where people choose to spend time.

Neutral

Travel: To enable everyone to travel safely, conveniently and reduce congestion.

Neutral

Places: To deliver development that makes a positive contribution to the character, heritage and identity of Tameside.

Neutral

Environment: To ensure that new development responds positively to climate change and ecologically sensitive locations.

Strongly disagree

People: To reduce health inequalities, improve health outcomes and enable the provision of services and infrastructure to support new and existing communities.

Strongly disagree

Please give a reason for the choices you provided above.

We need to build on brownfield sites and ensure affordable housing for local people. We need the infrastructure, dentists, affordable public transport and no destruction of our green spaces, we need to protect them

If you think there should be alternative strategic objectives to those suggested, please detail these below.

To protect our green spaces, for our health, the environment and for climate change

SPATIAL FRAMEWORK

To what extent do you agree with Policy approach HSP S1: Overall Spatial Strategy?

Neutral

Please give a reason for your answer.

If you think there are any reasonable alternatives to Policy approach HSP S1, please detail these below.

To what extent do you agree with Policy approach HSP S2: Neighbourhood Spatial Policies?

Please give a reason for your answer.

If you think there are any reasonable alternatives to Policy approach HSP S2, please detail these below.

If you have any further comments on the Spatial Framework, please provide them below.

CENTRES

To what extent do you agree with Policy approach HSP C1: Network, Hierarchy and Designation of Centres?

Neutral

Please give a reason for your answer.

Ashton gets everything yet looking at building too many houses in and around Hyde. Need to build equally across the borough and spend equally across

To what extent do you agree with Policy approach HSP C2: Primary Shopping Areas?

Please give a reason for your answer.

To what extent do you agree with Policy approach HSP C3: Local Shopping Areas and Parades?

Disagree

Please give a reason for your answer.

We had amazing markets that are now destroyed and replaced with silly umbrellas that nobody is or can use.

To what extent do you agree with Policy approach HSP C4: Development Involving Retail and Leisure Uses?

Disagree

Please give a reason for your answer.

Leisure is around us in nature. We also had swimming pools (dukinfield and Ashton) now gone? We had decent libraries - left to rot and ruin

To what extent do you agree with Policy approach HSP C5: Markets?

Please give a reason for your answer.

ENVIRONMENT

To what extent do you agree with Policy approach HSP E1: Renewable Energy Opportunities?

Strongly disagree

Please give a reason for your answer.

Don't destroy and build on our green spaces - this is the environment - this is our clean air

To what extent do you agree with Policy approach HSP E2: Critical Drainage and Water Demand?

Strongly disagree

Please give a reason for your answer.

Don't build on green belt and destroy flood plains and natural drainage

Start cleaning the gulleys that are all blocked and causing flooding (Ashton Road) for example

Get the basics right

To what extent do you agree with Policy approach HSP E3: Biodiversity?

Strongly disagree

Please give a reason for your answer.

Save the greenbelt, it's natural - leave it

If you have any further comments on the Environment chapter of the plan, please provide them below.

HOMES

To what extent do you agree with Policy approach HSP H1: Housing Type, Mix, Tenure and Affordability?

Strongly disagree

Please give a reason for your answer.

Stop plans to build on Godley Green and other green belts - this is for profit

We don't have the infrastructure

We don't have the public transport

We don't want it

POLICIES MAP AND INTEGRATED ASSESSMENT

A policies map has been published which shows the areas of land that relate to specific policies in this plan at this stage in the process. Future versions of Homes, Spaces, Places will have specific allocations and further designations of land linked to policies. An updated policies map will be produced at that time to identify these.

If you have any comments on the Policies Map, please provide these below.

An Integrated Assessment Report has been produced to accompany this plan. The Integrated Assessment identifies the potential sustainability impacts of implementing the Homes, Spaces, Places Plan.

Do you consider that the Integrated Assessment has adequately assessed the potential environmental, social, and economic impacts of the proposed policy approaches and strategies within the Plan?

Are there any sections of the Integrated Assessment that require further explanation or clarification?
