

Zoe

What is my job?

I am a Trainee Educational Psychologist, but you can call me Zoe.

I work with children to find out what things they like and don't like, and things they are good at or find tricky.

I work with yourself and others to help make those tricky things a little easier.

What would I like to be better at?

- Running

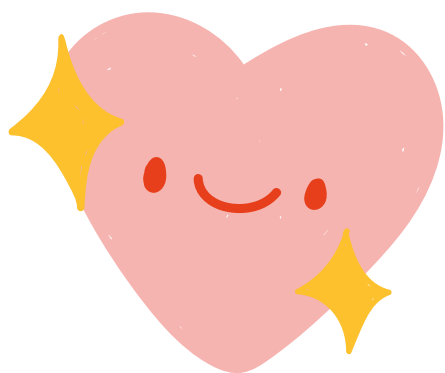

- Drawing

What do people like about me?

- I am friendly
- I am positive
- I am kind

What is important to me?

- Spending time with my family and friends
- Listening to music
- I support Manchester City!

How might we work together?

When we meet, we can talk about ourselves. We can talk about the things we might do each time we meet. You can ask me anything!

We might play games, draw or do some tests.

We'll talk about different things and I'll only share the things you want me to share with others, unless it's something harmful to you or to others.

But you wouldn't have to work with me – it would be your choice.
