

## **2014/15 Department for Transport, Pothole Fund**

Earlier this year the Department for Transport made £168m available to local authorities to help repair damaged road surfaces and make improvements to surfaces to help stop potholes forming.

The amount made available to Tameside MBC was £474,852.

This additional funding is being used by Tameside's Environmental Services section on a range of works aimed to improve our highway network and make it more resilient to vehicle and weather damage.

For the July - September 2014 we reported a spend of £205,360 on a range of initiatives.

For the period October – December 2014 we spent £130,454 of the funding the following;

### **Major Structural Patching - £63,465**

Sites include;

Audenshaw Road,	Audenshaw
