

2014/15 Department for Transport, Pothole Fund

Earlier this year the Department for Transport made £168m available to local authorities to help repair damaged road surfaces and make improvements to surfaces to help stop potholes forming.

The amount made available to Tameside MBC was £474,852.

This additional funding is being used by Tameside's Environmental Services section on a range of works aimed to improve our highway network and make it more resilient to vehicle and weather damage.

Up to the end of September 2014, £205,360 of the funding has been used on the following;
